

- If school offers competitive athletics, then specific information including enrollment and athletic information: The total enrollment of the school, classified by gender. The number of pupils enrolled at the school who participate in competitive athletics, classified by gender. The number of boys' and girls' teams, classified by sport and by competition level. (Ed. Code 221.9)

1. The total enrollment of the school, classified by gender

2016-2017	1,485 male	1,476 female	Total = 2,961
2017-2018	1,609 male	1,581 female	Total = 3,190
2018-2019	1,687 male	1,599 female	Total = 3,286

2. The number of pupils enrolled at the school who participate in competitive athletics, classified by gender.

*2016-2017	430 male	374 female	Total = 804 total student-athletes
*2017-2018	412 male	372 female	Total = 784 total student-athletes
*2018-2019	386 male	355 female	Total = 741 total student-athletes

*These numbers do not reflect male or female student-athletes who participated in multiple sports. If they played multiple sports they were counted once in the total.

3. The number of male and female teams, classified by sport and by competition level.
